ASM Engine Oil Quick Reference Chart																																																																																																																																																																																																																																																																																																																																																																																																														
Oil Type and Interval Reference																																																																																																																																																																																																																																																																																																																																																																																																														
S = Synthetic oil only																																																																																																																																																																																																																																																																																																																																																																																																														
N/S = Conventional oil recommended / OW-20 optional																																																																																																																																																																																																																																																																																																																																																																																																														
N = Non-synthetic (conventional) oil only																																																																																																																																																																																																																																																																																																																																																																																																														
S !!! = Synthetic oil only (with 5K interval)																																																																																																																																																																																																																																																																																																																																																																																																														
S FRS = Synthetic oil only (with 7.5k interval)																																																																																																																																																																																																																																																																																																																																																																																																														
5,000 mi / 6 month interval																																																																																																																																																																																																																																																																																																																																																																																																														
10,000 mi / 12 month interval																																																																																																																																																																																																																																																																																																																																																																																																														
7,500 mi / 7.5 month interval																																																																																																																																																																																																																																																																																																																																																																																																														
Information Key (refer to the information above for complete detail)																																																																																																																																																																																																																																																																																																																																																																																																														
<div style="display: flex; justify-content: space-around;"> <div style="border: 1px solid black; padding: 2px;">This letter designates the type of oil recommended</div> <div style="border: 1px solid black; padding: 2px;">This designates the recommended oil weight. For "N/S" vehicles, non-syn oil weight is listed.</div> <div style="border: 1px solid black; padding: 2px;">Vehicle Specific Information</div> </div> <div style="display: flex; justify-content: space-around; margin-top: 10px;"> <div style="border: 1px solid black; padding: 2px;">Color of cell indicates change interval</div> <div style="border: 1px solid black; padding: 2px;">This designates the fill capacity WITH FILTER</div> </div>

Vehicle Specific Information																																																																																																																																																																																																																																																																																																																																																																																																														
Oil capacities are latest published information and are subject to change. All capacities are "with filter."																																																																																																																																																																																																																																																																																																																																																																																																														
* 2010 Landcruiser with BLUE dipsticks have 7.4 fill with filter/ with GREEN dipsticks have 7.9 fill with filter.																																																																																																																																																																																																																																																																																																																																																																																																														
** Flex Fuel vehicle operated with E85 more than 50% of the time must have oil change at 2500 miles.																																																																																																																																																																																																																																																																																																																																																																																																														
*** 5W/20 oil recommended for Highlander <u>without</u> tow package.																																																																																																																																																																																																																																																																																																																																																																																																														
**** 2WD is 4.8 qt. and 4WD/Prerunner is 5.5 qt.																																																																																																																																																																																																																																																																																																																																																																																																														
***** Oil capacity and type apply to Camry and Camry Solara.																																																																																																																																																																																																																																																																																																																																																																																																														
Information has not been validated 																																																																																																																																																																																																																																																																																																																																																																																																														
No information available for this model 																																																																																																																																																																																																																																																																																																																																																																																																														
Date Modified: August XX, 2015
